Defendant Fredy N. Valle, Sr., d/b/a Valle Trucking ("Defendant") submits the following Answers and Responses to Plaintiff Tylon Mackey's ("Plaintiff") Interrogatories, Requests for Production of Documents and Requests for Admissions.

GENERAL OBJECTIONS

The following general objections and conditions qualify Defendant's specific answers and responses to Plaintiff's Discovery Requests below. These general objections are incorporated by reference into each individual response/answer given below as if fully set forth in each answer:

1. Defendant objects to any definitions and instructions contained in Plaintiff's Discovery Requests to the extent those definitions attempt to impose obligations or demands upon Defendant beyond those required by Oklahoma law and the Oklahoma Discovery Code.
2. Defendant objects to Plaintiff's Discovery Requests to the extent they call for the disclosure of information which is protected from discovery and privileged for the reason that it (a) is subject to the attorney/client privilege; (b) is covered by the work product doctrine; (c) was generated in anticipation of litigation or for trial or by or for Defendant or his representatives,

including its attorneys, consultants, or agents; (d) was prepared for the purposes of settlement negotiations; (c) is protected as a trade secret; (f) is subject to a protective or confidentiality agreement or order; and/or (g) is otherwise privileged, subject to a reasonable interest in privacy, or beyond the scope of permissible discovery under the applicable rules and laws.

3. By responding to these Discovery Requests, Defendant concedes neither the relevancy nor the admissibility of any information provided. Information provided in response to a specific discovery request is not an admission that such information is probative of any particular issue in this case.

4. Defendant continues to investigate and research the parties' claims and allegations. Defendant reserves the right to supplement and/or revise these answers and responses as additional information is revealed, analyzed, or made available during discovery in this case.

Subject to these general objections and the specific additional objections made below, Defendant responds to Plaintiff's Discovery Requests as follows:

INTERROGATORIES

INTERROGATORY NO. 1: Please state the name, address, telephone number and relationship to the Defendant of each person who prepared or assisted in the preparation of the responses to these discovery requests.

ANSWER: Fredy Valle, c/o counsel; Jaramit Monge, Assistant to Fredy Valle, c/o counsel; Jeffrey A. Curran, counsel for Defendant.

INTERROGATORY NO. 2: For each insurance policy of any kind that does or may provide any coverage on behalf of any Defendant (whether it is your policy or anyone else's policy) for damages/injuries alleged in this case, provide: name of insurer; policy number;

limits of coverage; the name(s) of all insureds; and state whether any insurer has offered a defense under a reservation of rights or otherwise contested coverage for the subject case.

ANSWER: See policy and dec pages provided.

INTERROGATORY NO. 3: Please state the name, address, telephone number and provide a brief description of the anticipated testimony for each witness who you intend to call at trial. (NOTE: For the purpose of this Interrogatory, it is not sufficient to merely state you have yet to determine who will be called upon to testify at trial. This Interrogatory is intended to identify all persons with information concerning the incident complained of the petition and who may reasonably be expected to testify).

ANSWER: Defendant does not know which witnesses may be called at this time. Likely Plaintiff, Plaintiff's medical providers, Israel Juarez, investigating officer(s), independent medical witnesses, and those listed by other parties but not objected to by this Defendant.

INTERROGATORY NO. 4: For each expert witness whom you have retained or consulted with in regard to the subject incident please state:

- a) The expert's name;
- b) The subject matter on which the expert is expected to testify;
- c) The compensation to be paid to the expert for the testimony and preparation for the testimony; and

ANSWER: No experts have been retained at this point.

INTERROGATORY NO. 5: In your own words, please provide a brief description of how you believe the Subject Collision occurred.

ANSWER: Defendant is personally unaware of how the collision occurred, since this Defendant was not present.

INTERROGATORY NO. 6: If you believed the Subject Collision was caused in whole or in part by the Plaintiff or other third parties please provide the reason or reason(s) for such contention.

ANSWER: Unknown at this time. See Police Report and deposition of Israel Juarez.

INTERROGATORY NO. 7: Identify the following people:

(a) The Safety Director/Chief Safety Officer for Fredy N. Valle, Sr. d/b/a Valle Trucking on the date of the Subject Collision and now;

(b) The person(s) primarily responsible for compliance with state and federal safety regulations at Fredy N. Valle, Sr. d/b/a Valle Trucking on the date of the Subject Collision and now.

ANSWER: Objection, as this question is overly broad and unduly vague. Without waiver, Valle Trucking is essentially two people – Fredy Valle and Jaramit Monge, both of whom ensure compliance with all applicable regulations. Valle hires drivers with experience, and when a driver begins work with Valle, either Fredy Valle or Jaramit Monge will ride with them the first day. There is no one who is designated as a “Safety Director” or Safety Officer”

INTERROGATORY NO. 8: With respect to the trip that Israel Juarez was on at the time of the Subject Collision, provide the following information:

(a) Explain where and when (date and time) Israel Juarez picked up the load he had at the time of the Subject Collision;

(b) Identify where (name and address of location) and when (date and time) the load was to be delivered.

ANSWER: Unknown. Israel Juarez was believed to be employed by ORD trucking, and was not employed by Valle Trucking.

INTERROGATORY NO. 9:

(a) Explain the relationship between ORD Trucking Inc. and Fredy N. Valle, Sr. d/b/a Valle Trucking at the time of the Subject Collision (e.g., leased driver, company driver, etc.);

(a) Explain how ORD Trucking Inc. was paid by Fredy N. Valle, Sr. d/b/a Valle Trucking on the date of the Subject Collision (by hour, by load, by mile, salary or other);

(b) Identify when ORD Trucking Inc.'s relationship (e.g., leased driver, company driver, etc.) with Fredy N. Valle, Sr. d/b/a Valle Trucking began and ended.

ANSWER: As to the project in question, Silver Star Construction contracted with Valle Trucking for five trucks to be present at the job site on the day of the incident. Valle Trucking thereafter contracted with ORD and three other contractors to be present at the site with trucks. When all drivers and trucks arrived at the job site, their tasks were then given to them and directed by a supervisor/foreman from Silver Star. Silver Star paid Valle Trucking for the project, and the Valle paid the other contracting companies according to those contracts.

INTERROGATORY NO. 10:

(a) Explain the relationship between Fredy N. Valle, Sr. d/b/a Valle Trucking and Silver Star Construction Inc. at the time of the Subject Collision (e.g., leased driver, company driver, etc.);

(b) Explain how Fredy N. Valle, Sr. d/b/a Valle Trucking was paid by Silver Star Construction Inc. on the date of the Subject Collision (by hour, by load, by mile, salary or other);

(c) Identify when Fredy N. Valle, Sr. d/b/a Valle Trucking's relationship (e.g.,

leased driver, company driver, etc.) with Silver Star Construction Inc.'s began and ended.

ANSWER: See Answer to Interrogatory 9 above.

INTERROGATORY NO. 11: Identify all persons who to your knowledge have given a statement **in any form** (written, oral, recorded or otherwise) in connection with this case. For each person identified, provide the date and time of the statement, identify to whom the statement was made and who was present when the statement was made, identify whether the statement was written, oral, recorded, and/or transcribed, and identify all persons presently having custody of the statement.

ANSWER: Unknown.

INTERROGATORY NO. 12: Identify all person(s) from who you to your knowledge have or may have any relevant information regarding: the Subject Collision; the facts leading up to the Subject Collision; the investigation of the Subject Collision; any party to this action; any vehicles involved in the Subject Collision; and/or any claims or defenses raised in this action.

The purpose of this Interrogatory is to identify all witnesses whom Fredy N. Valle, Sr. d/b/a Valle Trucking believes may have relevant testimony of any kind in connection with this case.

ANSWER: See above. This Defendant has no idea who might have personal knowledge other than Mr. Juarez, the Silver Star foreman who assigned the task to Mr. Juarez at the site that day, the investigating officer, and Mr. Mackey.

INTERROGATORY NO. 13: Identify the Israel Juarez's supervisor from Fredy N. Valle, Sr. d/b/a Valle Trucking on the date of the Subject Collision.

ANSWER: Object to the form. This Defendant did not “supervise” or employ Israel Juarez.

INTERROGATORY NO. 14: Identify who picked up Israel Juarez to take him to the job site on September 4, 2019 from Fredy N. Valle, Sr. d/b/a Valle Trucking.

ANSWER: Object to the form. This question assumes anyone did that, and further assumes Mr. Juarez was an employee of Valle Trucking, which he was not. Without waiver, it is this Defendant’s understanding that Mr. Juarez drive his own truck to the job site that day.

INTERROGATORY NO. 15: Identify whom from Fredy N. Valle, Sr. d/b/a Valle Trucking was working for or on behalf of Silver Star Construction Inc. on the date of the Subject Collision.

ANSWER: Object to the form. Valle Trucking was an independent contractor, and has been requested by Silver Star Construction to have five trucks on the job site that morning, after which each driver would receive his specified task given by a Silver Star foreman. So no one from Valle Trucking was “working for” anyone with Silver Star that day. Without waiver, the Valle Trucking employee who was on the job site that day was Ruben Simental, who was not involved in the subject accident.

INTERROGATORY NO.16: Identify what job duties or responsibilities Fredy N Valle, Sr. d/b/a Valle Trucking was to perform for or behalf of Silver Star Construction Inc. on the date of the Subject Collision.
